18 December 1957

1. Mr. Lloyd made the following announcements:

a. There will be a special presentation of the Security Reindoctrination Program for the Chiefs of the DD/S Offices and Staffs, their Deputies and other key officials. 3. [REDACTED] mentioned that not all of the area Divisions of the Office of the Deputy Director (Plans) forwarded to their Stations a policy paper developed by the Office of Logistics on accounting for property at [REDACTED] stations. [REDACTED] pointed out that if a Support Office deals directly with each Division, it is the Division's prerogative as to what they may send to the field. However, to insure complete dissemination of such papers to all interested Stations, it should be forwarded by book dispatch with release by the Office of the Deputy Director (Plans).
